Bleasdale

Mulberry Tree Cabernet Sauvignon

Supporting the Zebra

For many, the name Mulberry Tree is synonymous with Bleasdale. Named after the century-old mulberry tree in the vineyard, this is an ever-reliable Cabernet Sauvignon with aromas of mixed berries, dark chocolate and violets, finishing with soft and subtle tannins.

Bremerton Wines

Mollie & Merle Verdelho

Supporting the Ring-tailed Lemur

Verdelho is perfectly suited to our region's climate and growing conditions. We chose to make a fresh, vibrant style expressing the pure varietal characters. Using only free run juice, results in a clean, focused Verdelho with lifted perfumed citrus aromas, a bright and textural palate with fine acid balance and great length of flavour.

Kimbolton Wines

Fiano

Supporting the Giraffe

An ancient Italian wine grape variety, well suited to the growing conditions in Langhorne Creek. This Fiano shows crisp, citrus characters with delicious fresh pear, honey hints and a rich texture on the palate. Drink now either on its own, with fresh seafood or a delicious goats cheese tart.

Lake Breeze Wines

Bernoota

Supporting the Bongo

The 'Bernoota' Shiraz/Cabernet blend shows dark fruit characters of blackberry and plums, with a hint of choc mint. The palate encompasses all of the trademark Langhorne Creek fruit sweetness and soft tannins.

Vineyard Road

Shiraz

Supporting the Meerkat

Our signature Langhorne Creek Shiraz displays lifted aromas of spice, dark cherry and plum. The palate is rich full-flavoured forest fruits and vanilla, finishing with delicate soft tannins. It was vinified using a combination of fermentation styles and American oak.

The Winehouse

Gipsie Jack Dolcetto Rosé

Supporting the African Painted Dog

Parcels of premium Dolcetto fruit from our Pasquin Vineyard in Langhorne Creek is the rebirth of the Gipsie Jack Rosé. Lifted aromatics of rose oil and florals, with hints of hand crafted boiled lollies and strawberries and cream.
